**TO ALL THE CHURCHES IN THE LORD'S RECOVERY**

**SUBJECT: THE STANDING OF THE CHURCHES IN CANADA FOR THE  
LORD AND HIS RECOVERY**

Dear brothers,

Please find attached a copy of an open letter addressed to four meetings in Canada.

For many years the churches in Canada have been suffering the adversarial attack of Satan, especially aimed at undermining our practical oneness! After much fellowship and prayer together, the leading brothers from every church in Canada have been led to send this letter to identify the four divisive meetings and the divisive brothers leading these meetings.

We thank the Lord for your prayers over the years. Such effectual prayer of the saints has cleared up the sky in Canada. Now, the Lord is pouring out the ointment of His blessing upon the Lord's Recovery in Canada. We are rejoicing!

Brothers, please make this letter public to all the saints as a testimony of the stand of all the churches in Canada!
